MEN UNDERCLASSMEN

UNDERCLASSMEN UN

Okay, here we go!

Junior Class Officers 1990: Heidi Nicholson, President; Todd Tucker, Vice-President; Wendy Butkus, Treasurer; and camera shy Kerry Flynn, our class Secretary.

Okay, here goes . . . reaching junior year was no small accomplishment, trust us, but we all got there in one piece. Now we're trying to organize those pieces for our rapidly approaching senior year. With hard work we were able to reach our monetary goal for next year and even surpass it. We attempted to kick the year off with a dance, but even though profits resulted, it was evident that school dances were losing popularity and that we would have to look elsewhere for a means of making money. But with the timely advent of the Whirlybird Whoopee we were able to get back on track. Our Xmas carnation sale and Easter Raffle, along with our basketball concession stand proved to be all that was needed to keep our class financially strong. But this year wasn't all bookkeeping. We had our prom to look forward to in May at Mechanics Hall. Intensive preparations and high expectations resulted in a most memorable prom. By having to work together to accomplish our goals, our class has learned to compromise and cooperate with each other, making our class stronger and more of a unit. We hope that these bonds we've created between us will continue to grow throughout our senior year and last into the future.

Freshmen — Making Their Mark

Left to Right: Carolyn Magill (President), Julie Prunier (Vice President), Bobby Leger (Treasurer), and Erica Simpson (Secretary). The officers and class have all been working very busily trying to make things run smoothly during this productive yet hectic freshman year. We are all very fortunate to have them making decisions for us, and we should give them each a pat on the back.

It's Not Just A Job

The senior class of 1990 would like to thank the teachers for their time, their effort and continuous support that they have shown us throughout our high school years. Despite the long homework assignments, term papers and the coincidence that all major tests were scheduled for the same day, you have shown us that hard work, persistence, and self motivation are necessary for our everyday survival. In our lives many of you are not just teachers but also our friends. Our thanks go out to those of you who were there for us in our time of need.

Doing What Comes Naturally

The students love him. The teachers respect him. He is none other than Mr. Bates Carter. Mr. Carter enjoys children and thinks Grafton kids are wonderful. He went into teaching because he enjoys working with young people and he "derives a great sense of satisfaction" from seeing the results of his teaching efforts.

When asked about where he gets his witty remarks he replied, "It comes naturally. It is a reflection of how much I am enjoying myself."

Mr. Carter makes his classes interesting because he knew what it was like to be "bored and confused" when he was a student. He gears his efforts towards making his classes fun and interesting, creating a clear and understandable atmosphere.

The fun environment which Mr. Carter creates in his classes allows the students to enjoy themselves as they learn.

Running Strong

This year's boys cross country team completed the regular season with a 13-0 record and first place in the Southern Worcester Country League. The team's top runner was junior/captain Mic Foley, followed closely by junior newcomer Chris Jones. Sophomores Joe Flynn and Keith Dubois and junior Tim Schreyack were the 3,4,5 runners for Coach Dick Coleman's team. One of the many high points of our season came when our team was voted the eighth ranked team in all of Central Massachusetts.

Top Right: Ryan Bardsley, Joe Flynn, Keith Dubois, Chris Jones, Jamie Walker, Steve Cunningham, Joel Therrien, Mic Foley and Tim Schreyack with a nice finish. Middle left: Tim Schreyack with a nice finish. Middle right: Co-captains Mic Foley and Tim Schreyack. Lower right: Ryan Bardsley in a true cross-country meet.

Field Hockey

This year's Field Hockey team worked hard to make the Grafton Indians proud. Even though all but five players were new to the varsity team, the girls did a great job in displaying their team spirit and skill on the field. The team was led by seniors: Cherie Boucher, and co-captains Lisa Chiarenza and Rebecca Budroe on offense, Kerri Gronberg and Jen Boudreau on defense, juniors; Kristi Demers and Kelly Keenan on offense and Martha Mitchell in the goal and finally, sophomores; Pam Pelletier and Lauren Christini on offense and Christi Boucher, Laurie Krause, and Rebecca Maffei. From the Seniors, Thank-you to Julie Burkle for stats and Coach Shirley Cusson — GOOD LUCK!!

GHS SOCKS IT TO THEM

Despite a 4-9-2 record, this season proved to be a step up for the soccer team. This was the first year Grafton has ever had a varsity team and it showed a lot of promise.

Although being the first varsity year, the team had some talented players in Tom Doane, Shawn Reeves, Ted Azar, Scott Dunster, Lad Dell, Mike Murphy, and the only senior, Jason Petrie.

Jeff Poole and Mike Coonan kept the balls out of the net with help from the defensive crew of Derek Grandinetti, Chris Gagne, and Jon Cusson.

Providing help from the bench were Matt Winalski, Scott Townsend, Barry Lawrynowicz, Todd Stolberg, Dina Mitchell, and the only freshman to make the team, Essek Petrie.

The team will be losing only one senior to graduation and will be looking to improve their record and for a possible break into the Districts.

Derek Grandinetti makes a defensive stop.

Dina Mitchell watches the action from the side line.

Captains: Jeff Poole, Mike Murphy, Scott Dunster, Tom Doane, and senior Jason Petrie.

Grafton “hoops” it up.

The Varsity team ended up 15-5. They were Southern Worcester County League Champs for the first time since 1973. The team also reached the semi finals of the Clark Tournament, losing to the eventual winner by two points. We also played in the District E Tournament, losing to Millbury. The Grafton Team played some very exciting games. The overtime win and wins over Northbridge and Millbury during the season will always be remember by the Grafton basketball fans. The Boys J.V. team ended up 16-1. Coach Mike Foley did a terrific job and they had a very successful season.

Becky Budroe says to Becky Cole, "Don't worry — I almost have it."

"Shoot for the stars: Win three this year!" urged one of the Grafton Girls Basketball team's less optimistic fans. Well, the Grafton Girls did win three. Actually, they won seven. The season was filled with many ups and downs, but through it all the team never lost its spirit.

The Seniors — Kathy Brady, Lisa Chiarenza, Amy Smith, Becky Budroe, Amy Corcoran, and newcomer Tina Carlson — had their best season in their four years at Grafton High. The Juniors — Kerri Flynn, Martha Mitchell, Becky Cole, Stacey Greenlaw, and Kelly Keenan — have much to look forward to next year.

The Coach, Gary Nelson, never let the team give up. He encouraged them when they needed it and scolded them when they needed that, too. It was a memorable season with a lot of tough breaks, but the Grafton Girls Basketball team pulled through, surprising and pleasing the fans, the coaches, and themselves.

Spirit Enthusiasts

The Grafton cheerleaders combined both old and new faces to create successful squads for football and basketball. Annette Hebard coached the squads through many practices which led to new and exciting stunts, pyramids, and a dance routine. This year, there were 12 regulars and several alternates which was a change from years before. Both squads were leaders in school spirit through pep rallies and decorations that were seen throughout the halls. The basketball squad cheered the team on at both the Clark Tournament and districts. Plans are already being made for next year's cheerleaders.

INDIANS CHILL OUT

The Grafton Ice Hockey Indians had a very good season. They completed the season with a 9-11 record and looked like one of the teams to beat in the Quinn conference next year. The Indians finished third in the seven-team conference behind Hudson and Auburn. The young Indians dressed nine sophomores and several freshmen. These young skaters were backed up by the fine play of seniors Scott Savageux, Mike Kenney, Rene Gemme, and Jason Petrie. Juniors Garrett Crawford and Chris Jakubiak contributed a great deal to the team, also.

Chris Jordan gets a shot off.

Personal and family living is a course in which students learn about themselves, their peers and what life has in store for them when they graduate. An enjoyable part of the course is a mock wedding which involves everyone in the class. There was a lot of planning and work involved in preparing for these weddings. For weeks students prepared decorations, and made arrangements for tuxes, gowns, food and flowers. In class students went over vows and time schedules to make sure that everything would run smoothly.

The mock weddings were as close to the real thing as possible. This year there were two separate weddings, one for each class. The first class's wedding party was made up of — Joanna Gardzina, the bride; Jen Chandonait, her maid of honor and Lori Brosnihan and Melissa Legere, her bridesmaids. It also included Mike Kenney, the groom; Rene Gemme, best man; and Steve Esslinger and Joe Maynard, ushers.

The second wedding party was made up of Heidi Feilds, the bride; Shelly Deyette her maid of honor; Theresa McClure and Erin Flynn, her bridesmaids. It also included Matt Danielson, the groom, Jason Petrie, best man; and David Burns and Chris Mendoza, ushers.

After weeks of planning the day arrived. Class members spent part of the morning decorating the auditorium. There wooden arches with crepe paper flowers, streamers, all along the aisle. Both weddings were a tremendous success straight through the reception, during which all the students ate a turkey dinner complete with wedding cake. All food was prepared by the foods classes.

These weddings were a lot of fun for all students involved but were also a great deal of hard work. We would like to thank all the teachers, businesses, and participants who made the weddings possible and successful. A special thanks to Mr. Tux of Worcester who provided all the tuxes free of charge. Also to Jan, of Jan's Bridals who spoke to both classes and provided the wedding gowns free of charge.

Yearbook Store Staff

Hard work, dedication, and perseverance is what the yearbook store staff and the Yearbook committee is all about. The Yearbook store and the Yearbook staff are the two most demanding clubs at Grafton High School.

Every morning at 7:15, five days a week, the yearbook store crew must open their doors to sell pens, pencils, book covers, notebooks and more importantly, CANDY. Each morning we are faced with the same customers, dozens of students, who ponder over which candy bar to buy or what color notebook they want. And each morning we ask the same questions: peanut or plain, Reese's Pieces or cups, which flavor Tic-Tac, and Mini eggs, Creme eggs, or Hershey eggs? Let's not forget the great deal, "If you buy two dollars worth of candy, then you receive a free SNICKERS!" You cannot possibly imagine how happy we were to see the LAST Snickers (we're thinking of having it bronzed).

Because of the early mornings, the Yearbook store has taught us dedication. We have all grown closer to one another and have formed a bond that we will always remember.

All the profits that the Yearbook store makes goes to pay for the Yearbook. The Yearbook is not cheap, nor is it easy to put together.

Under the guidance of Mrs. Julian and the help of Arnie Lohmann our tie with the yearbook company, Beth Frederico and Nicole Polselli were able to lead us in producing what will be the best yearbook ever (at least it will seem that way to us.) The yearbook takes long hours and late nights to make each deadline. It takes teamwork because each section is so complex that it is difficult for one person to do alone. Moreover, it takes patience. Once the finished product is viewed, it makes all the frustrations, the sleepless nights, and the aggravation seem worth while, because we have a book that will help all of us to remember 1990.

Grafton Actors Have a Midsummer Night's Dream

The G.H.S. performance of Shakespeare's *A Midsummer Night's Dream* was a huge success. It took place on May 4 and 5 and was directed by Steve Braddock and produced by Liz Humphreys. Students had the difficult task of learning Shakespeare's vocabulary in a limited time. The play is about four lovers played by Josh Briggs, Heather Riley, Kristin Maynard and Chris Gagne, who chase one another through the woods of Athens only to fall under the spell of the Fairy King played by Sean O'Rourke and his helper Puck played by Leila Nolet. During this time, the Duke (Joel Keith) is going to marry the Amazon Queen (Shawna Erickson) and six clowns (Laura Libbey, Will Boberg, Chris Tulloch, Jeff Cahill, Amy Beaudry and Andy Breecher) plan to entertain the Duke. The Fairy Queen (Rebecca Dowd) complicates matters.

Team members from the High School included Mr. LeMay, Keary Naughton, Harry Richardson, Dave Costello, Chris Etaphan, Chris Mendoza, Chris Roney, and Pat Warner. The game raised money for a handicap awareness series in the schools. The Wheelers won!!!

CLASS NIGHT IS A CLASS ACT

John Carr presents the class gift — an Apple computer.

Shawn Steeves receives one of his six awards from Mrs. Dadah. Shawn was also class Salutatorian.

Above, Mrs. Rector, class advisor, received an engraved sterling silver tray from the class as a memento of all her hard work, care, love, and time over the years. WE LOVE YOU, MRS. RECTOR!!!

Left, Chris Roney and Joe Maynard share their classbooks. Students autographed one another's books.

THE LAST TIME

On Thursday May 31 the senior class of 1990 gathered for their last social meeting of their four years at Grafton High School. After a meal prepared by the cafeteria, students received academic awards, department awards, recognition of their service, and special awards. Six seniors, Chris Hopkins, Corrina MacKoul, Kirk Menanson, Nicole Polselli, Scott Savageaux and Shawn Steeves received the Presidential Academic Fitness Award. Superlatives, voted by the class, came next. Then students got their classbooks, a scrap book of class members which they could autograph on this, their last night together as a class. The evening ended with a slide show presented by Mr. Cormier.

Miss Clark gives Amy Smith the Business Department Award.

Above, Christine Pirie is slightly embarrassed at her superlative — nicest buns.
